FOR IMMEDIATE RELEASE

CHARLESTON, IL--Elmer Voudrie, Mattoon and Sharon Johns, Charleston, have been named supervisor of the quarter and employee of the month, respectively, at Eastern Illinois University.

Voudrie is payroll supervisor and common software project supervisor (temporary), and Mrs. Johns is employed in the personnel office.

The selections are part of a program designed to "recognize exemplary performance" by civil service employees. Voudrie and Mrs. Johns were selected by a committee from a list of nominations.

Nominations may be made by anyone in the University community. Eligible is any fulltime employee after a six-month probationary period. The program is partially funded through a grant from the EIU Foundation.

Mrs. Johns has been employed at Eastern since 1965. She said "this award gives me a warm feeling. I really enjoy working at Eastern." She holds a B.S. degree from Eastern.

Voudrie earned both bachelor's and master's degrees at Eastern and has taught in accounting and data processing areas.

"I have a goal of helping persons improve themselves each day. That is one reason I enjoyed teaching part-time. It would be a good objective for every employee on campus to have the same philosophy."
